Montessori Project Foundation is hosting its first, and hopefully annual, Burgundy & Gold Gala. The event is in conjunction with our annual 2010-2011 Pledge Drive. The evening will include music, dinner, entertainment, and a no-host bar. Doors will open at 6:15 with a program to follow.

Child care will be available at your campus for a nominal fee in the form of a *Kids Night Out*. Information will be available as the date draws nearer.

Tickets, and recognition in our program, are available through the Pledge Drive with a minimum donation of \$1000. Tickets are now available through your campus AA, or Central Admin Office, for \$55 each, or \$500 for a table of 10; so gather your friends and family and make an evening of it. Order forms can be downloaded here as well.

Please contact Stephanie Garrettson or Carrie Klagenberg at the CMP central administrative office at (916) 971-2432 with any questions you may have. We are looking forward to our tenth year celebration event and hope to see you there.
