

**California Montessori Project**  
**Student/Parent**  
**Electronic Device Agreement**

As the parent/guardian, I give permission for my child to bring specific electronic devices to school with strict instructions that these devices are to be used only after school hours and off of the school property. My child and I understand that there is risk for loss, damage, or theft of these devices, and we will not hold the California Montessori Project liable. We also agree to the following policies regarding these devices.

All cell phones, iPods, and other electronic devices must be off and out of sight while on campus during school hours. If there are any violations, the device will be confiscated. A parent must retrieve the item in the campus office between the hours of 7:30 AM and 4:30 PM. Repeated offenses may result in an extended period of time before the item is returned to the parent.
