

PARENT PARTICIPATION AGREEMENT

I understand that by enrolling my child(ren) in the California Montessori Project, I have agreed to participate in my child/ren's schooling by committing time and/or expertise (or to secure a sponsor). I am committed to support CMP to achieve the highest standards of education and insure that the goals and objectives of the school are consistently met. I also understand that CMP is a charter school rather than a traditional public school and its success depends on the active participation of all families.

I agree to the following:

- Complete 40 hours of non-paid school participation (70 hours for 2 or more enrolled children) according to CMP's Parent Participation guidelines, and prior to re-enrollment for the following school year;
- Attend at least 2 Parent Education Evenings (Montessori 101 and 102) which will be credited toward my Parent Participation obligation;
- I am aware of various options available for completion of this agreement and of the procedure for requesting an exemption as may be necessary in special/extreme circumstances;
- Failure to complete my Parent Participation obligation or petition for a special exemption within the specified time frame may result in the loss of priority re-enrollment privileges for my child.

I acknowledge that I have read the attached Parent Participation Policy and I agree to abide by its provisions.

Number of hours committed to:

- 40 hours** (if one child is enrolled in CMP)
 70 hours (if 2 or more children are enrolled in CMP)
