

Dear Staff:

November marks the open enrollment period for CMP's group health plans. Due to changes in the industry, we have scheduled staff meetings at each campus this year to present to you the new options available for all full-time CMP employees otherwise eligible for group benefits.

Please note that the following dates have been selected by the principals and will be the dates that Gary Erickson and I will be visiting your campuses to present these new benefits options. All Full-time employees are requested to attend these meetings, even if you are currently waiving benefits, due to the presentation of new plan options. A sign in sheet will be provided to verify attendance.

Unless otherwise noted below, all meetings will begin promptly at 3:30 and will last one hour. We look forward to seeing you on these dates:

- November 4th – Elk Grove Campus
- November 5th – Shingle Springs Campus - 11:15 or 12:15 during the lunch periods. Bring your lunch and listen in. 😊 Please note Q&A time has been shortened to accommodate staff schedules.
- November 6th (3:15 start time) – Capitol Campus
- November 9th (2:00 start time) – Central Administration Office
- November 9th – Carmichael Campus
- November 12th – American River Campus

If for some reason, you have a conflict with your campus meeting date, please speak with your principal about attending an alternate campus date.
